The Barden Church Program

Barden and Robeson is one of the largest designers and suppliers of precision built materials for churches, commercial buildings and homes in the country today. **Barden** has earned an outstanding reputation for providing churches of excellence and quality to our many satisfied customers, including a wide variety of Christian denominations for over 40 years.

Meet with our Barden Team to discuss your ministry needs.

Custom design your plans to fit your ministry's growth.

Preview your church with artist's conception.

Construction begins in our state of the art facilities

The Barden Team provides customers with a **Full-Line of Professional Services** to support their building project. From Ministry planning, building design, costing and financial/funding assistance, material supplying, fabrication, and construction, to the final servicing of your building, the Barden "Team" of experienced professionals is complete and ready to serve you every step of the way.

Substantial Cost Savings can be expected for you, our valued Customer, when you use our Barden design approach and our efficient "Pre-designed" system. These savings can be as much as 50% or more over the conventional building approach offered by many designers and builders in your area today. The Barden Program helps you develop your design and determine your overall costs.

Your building is loaded on a flatbed truck and ready for delivery.

Salvation on the Cross!

Christ was crucified between two
criminals at Calvary.

Only one man repented, crying out for salvation

“Jesus, remember me when you come
into your Kingdom!”

Jesus replied, “Truly I say to you,
today you will be with me in Paradise.”

Immediately he was forgiven and saved!

God’s great love, mercy and grace bestowed
in the last moments of the man’s life.

As Christians we know The Lord’s perfect will

is for us to come to know Him personally
as our Savior early in life,

to allow Him to be the Lord of our lives
and to serve Him, in helping others and

reaching the lost as we support
the Church He directs us to attend.

Let our Barden “Team” help you and your Church
fulfill our “Great Commission”

B.L. & STAFF - NASB

Quality is designed into each of our
Church buildings. Our “Team” of
professionals is committed to our
long-standing reputation for quality
and excellence.
